

De Noordwijkse Golfclub

Expatriate membership

www.noordwijksegolfclub.nl

The Noordwijkse Golfclub is one of the most beautiful golf clubs in the Netherlands. The challenging course in the dunes at Noordwijkerhout is internationally renowned. It was nine times host of the Dutch Open. With famous winners as Severiano Ballesteros, Payne Stewart, Colin Montgomerie and Bernard Langer.

The Noordwijkse Golfclub (NGC) now offers an expatriate membership for foreign employees and their spouses who temporarily live in The Netherlands and work at a Dutch branch of a multinational company or organization. An expatriate membership is a special form of company membership and is offered by the sponsorship committee. The sponsorship committee is actively involved in engaging expatriate members

If you have a foreign nationality, you live in The Netherlands and work for a multinational company, you and your spouse can apply for an expatriate membership. It offers you and your partner:

- a membership of the Noordwijkse Golfclub for a maximum period of three years;
- an annual expatriate membership fee of Euro 4.000,00 per person (excluding your NGF contribution) and pay no entrance fee;
- same rights and duties as an ordinary member, with the exception of voting rights during the general meeting of members.

If you are interested to explore expatriate membership opportunities please get in touch with one of the members of the sponsorship committee. You can do that any time of the year. We will be glad to organize an introduction to the Noordwijkse Golfclub and explain you all the features, benefits and conditions of an expatriate membership.

Once your expatriate membership has expired after three years, there is a possibility to apply for an ordinary membership by following the standard procedure.

We are looking forward meeting you
