

Temporary Local Rules Noordwijkse Golfclub

Effective as of September 3, 2024

In addition to the local rules published on the scorecard and the notice board, the following temporary local rules are in effect.

FLOODING – DROP ZONES

- Bunkers from which cannot be played due to flooding are indicated as GUR; these bunkers are part of the general area from which free relief is available.

All other bunkers whether they contain temporary water or not, are still bunkers under the rules.

- Temporary water on the course in the general area is GUR by definition.

In some, wet and formerly wet areas, which still need to recover, in addition to the options provided under Rule 16.1, a drop zone is established. The drop zone is the area within one club length from the “DZ” sign. The ball must be dropped and come to rest within this one clublength from the nearest “DZ” sign.

ABNORMAL COURSE CONDITIONS – REPAIRED BIRD DAMAGE

On a number of holes bird damage has been repaired in the fairways. These areas can be recognised as larger sand areas on the fairways. These areas are abnormal course conditions from which free relief can be taken according to Rule 16.1f.

ABNORMAL COURSE CONDITIONS AFTER TREE REMOVAL

On holes 4 through 7 and 11 & 12 trees have been removed. These areas are abnormal course conditions marked with blue stakes from which free relief can be taken according to Rule 16.1f.

NO PLAY ZONES ON HOLE 2

The areas marked as GUR have been wet for a long time and need to recover and are therefore no play zones.

NO PLAY ZONE FOR THE GRASS NURSERY ON HOLE 14

The grass nursery short left of the path crossing is a no play zone. **Playing from this area is forbidden.**

ABNORMAL COURSE CONDITIONS AS A NO PLAY ZONE

“The aforementioned areas are no play zones that are to be treated as an abnormal course condition. Free relief **MUST** be taken from interference by the no play zone under Rule 16.1f.”

DROP ZONES

On various holes there are drop zones as an extra option to take relief in addition to the options provided under Rule 16.1f. On these holes, the player may take relief from such an area by dropping a ball in the drop zone. When dropping a ball in the drop zone, the ball **MUST** land and come to rest in the drop zone.

The penalties mentioned below for breaching a local rule and the code of conduct will be applied separately and cumulatively.

Penalty for Playing Ball from a Wrong Place in Breach of Local Rule: *General Penalty Under Rule 14.7a.*

CODE OF CONDUCT

Penalty for entry into a no-play-zone into which entry is forbidden:

- **General penalty in competitions;**
- **The board will decide on possible disciplinary measures.**
